

Air Force Academy and Garden of the Gods, Friday August 21, 2009

Enjoy a relaxed, hassle-free tour to the 18,000 acre Air Force Academy. After we pass through the North Gate, you will view Diamond Lil, the B-52 Bomber. Next; a lovely scenic overlook off North Gate Road. You're in for a treat in visiting the exquisite 17-spired, interdenominational chapel, where the cadets march in their inspiring Noon Formation. Other attractions today include Falcon Stadium, the cadet glider port and the new 3.8 million dollar visitors' center. Afterwards, you travel to the Garden of the Gods Park. Not surprisingly, the Garden of the Gods is the most photographed site in the United States. Bring lots of film! One of the world's greatest natural wonders, this gallery of amazing red rock sculptures was created more than 300 million years ago by violent geological forces. Fantastic formations jut skyward at heights of over 300 feet. Several stops will be made to view such spectacular monoliths as Balanced Rock and the Kissing Camels.

Price is \$50.00 per person and includes transportation, tour guide and lunch at the Garden of the Gods Trading Post. Children also pay full price.

Chicken Marsala; (Boneless Chicken Breast with Marsala and Mushroom Demi-Glaze)

(Chicken Marsala is an Italian dish made from chicken cutlets, mushrooms, and Marsala wine. The chicken is coated in flour, briefly sautéed, and then removed from the pan, which is then used to make a Marsala reduction sauce. The sauce is made by reducing the wine to nearly the consistency of syrup while adding onions or shallots, as well as mushrooms, herbs and possibly other ingredients. The sauce is then poured over the chicken, which has been kept in a warming oven, and served immediately. In an alternative method, the chicken breasts may be braised in a mixture of Marsala, butter, olive oil, mushrooms, and spices. The dish is commonly served with a side of potatoes or pasta.)
